

Mash House

Custom Built to Meet Your Needs

ABE mash houses are steam jacketed with an auto rake/plow option for easy mixing and automatic spent-grain removal. Easily adjust your pumps, motors, and temperatures with the platform mounted control box. Use to produce wort or mash for your distilling needs.

Industry Leading Warranty

Each mash house that leaves our facility carries UL certification and an industry-leading 5-year limited warranty on the metal and welds. In addition to a comprehensive spare parts inventory, you'll receive customer support from our team right here in Lincoln, Nebraska with any ABE purchase.
