

CraftCan Series

Custom Built to Meet Your Needs

Every CraftCan Canning System is designed and assembled in Lincoln, Nebraska. The CraftCan fills, lids, and seams up to 15 or 35 cans per minute in a wide variety of aluminum cans to provide diversity to your brands. The CraftCan15 is easily upgradable to the CraftCan35 to increase throughput as your business grows.

The CraftCan is engineered with our patented Servo Seamer and real-time seam analysis to ensure precise and in-spec cans time-after-time. In addition, our filling and gassing technology ensures low dissolved oxygen levels for a quality packaged product and improved shelf-life. It is innovative, versatile, and affordable; built to generate the profits your craft beverage deserves.

Your Complete Package

Each CraftCan that leaves our facility carries UL certification and an industry-leading five year limited warranty on the metal and welds. In addition to a comprehensive spare parts inventory, you'll receive superior customer support from our team right here in Lincoln, Nebraska with any ABE purchase.
