

LabelMax35

Custom Built to Meet Your Needs

The LabelMax35 Tabletop Labeler is a compact and economically-priced label applicator that is ideal for production rates of up to 35 containers per minute. Computerized controls are simple and dependable and allow the operator to match speeds of the labeler to the pre-set conveyor speed. Optical sensors ensure smooth and trouble-free operation, accommodating nearly all single use beverage container sizes. The units' simplicity makes it ideal for packaging lines requiring frequent changeovers on a wide variety of products.

Your Complete Package
