

TruPatriot

Custom Built to Meet Your Needs

We know how important your bottom line is, and how meticulously you craft your spirits. Which is why ABE Beverage Equipment designed the TruPatriot Bottle Filler and Cork Applicator for craft spirits. The TruPatriot is the perfect option for distillers looking for an easily adjustable spirits filling line capable of producing a wide variety of bottle sizes from 350ml–1.5 liter. It's ideal for distilleries with minimal packaging space, or for a mobile bottling application. Fill and cork up to 20 bottles per minute based on 750ml bottle size.

The TruPatriot Bottle Filler and Cork Applicator is C1D1 compliant to ensure a safe operation and is built using RoHS compliant materials. It offers bottle filling specification recall and memory, and is CIP capable.

Your Complete Package

Each TruPatriot that leaves our facility carries UL certification and an industry-leading five year limited warranty on the metal and welds. In addition to a comprehensive spare parts inventory, you'll receive superior customer support from our team right here in Lincoln, Nebraska with any ABE purchase.
