

Victory100

Custom Built to Meet Your Needs

The Victory100 Shrink Sleeve Applicator is unrelenting in accuracy and speed, labeling up to 100 containers per minute. This flexible, convenient, and compact machine works with cans or bottles made of aluminum, glass, or plastic. Paired with a heat tunnel, this machine will have the outside of your container looking as good as the product inside tastes.

Your Complete Package

The Victory100 automates your packaging day as a highly demanded addition to ABE's complete packaging portfolio. Ask your representative for solutions for container feeding, filling, date coding, and more.
